

Treasury Department,

OFFICE OF THE DIRECTOR OF THE MINT,

Washington, D. C., January 31, 1880.

Sir:

I have received your letter of the 30th instant requesting to be informed if you shall have the usual dinner prepared for the Commissioners and others connected with the Annual Assay. You are hereby authorized to do so.

The dinner should not however be allowed to interfere in any way with the regular operations of the Mint and if it necessitates the closure of any of the operative rooms I am of the opinion that it will be better to have it prepared in some other place outside of the building.

You also state that you consider

the habit of having persons at the dinner,
who are disconnected with the Com-
mission and its labors, an unwar-
ranted innovation and I concur
with your request to limit it to those
who are actually engaged in the work
of the Commission.

Very respectfully
Horatio C. Burdick
Director

A. Loudon Snowden Esq.
Supt. Mint U.
Philadelphia.
